

PROJECT 2

Tourist-Helper Application

- MOHAMAD HAZIM BIN MOHD SHAKRI
- S61770
- BACHELOR DEGREE IN COMPUTER SCIENCE
(MOBILE COMPUTING) WITH HONORS
- FRAMEWORK-BASED MOBILE APPLICATION
DEVELOPMENT

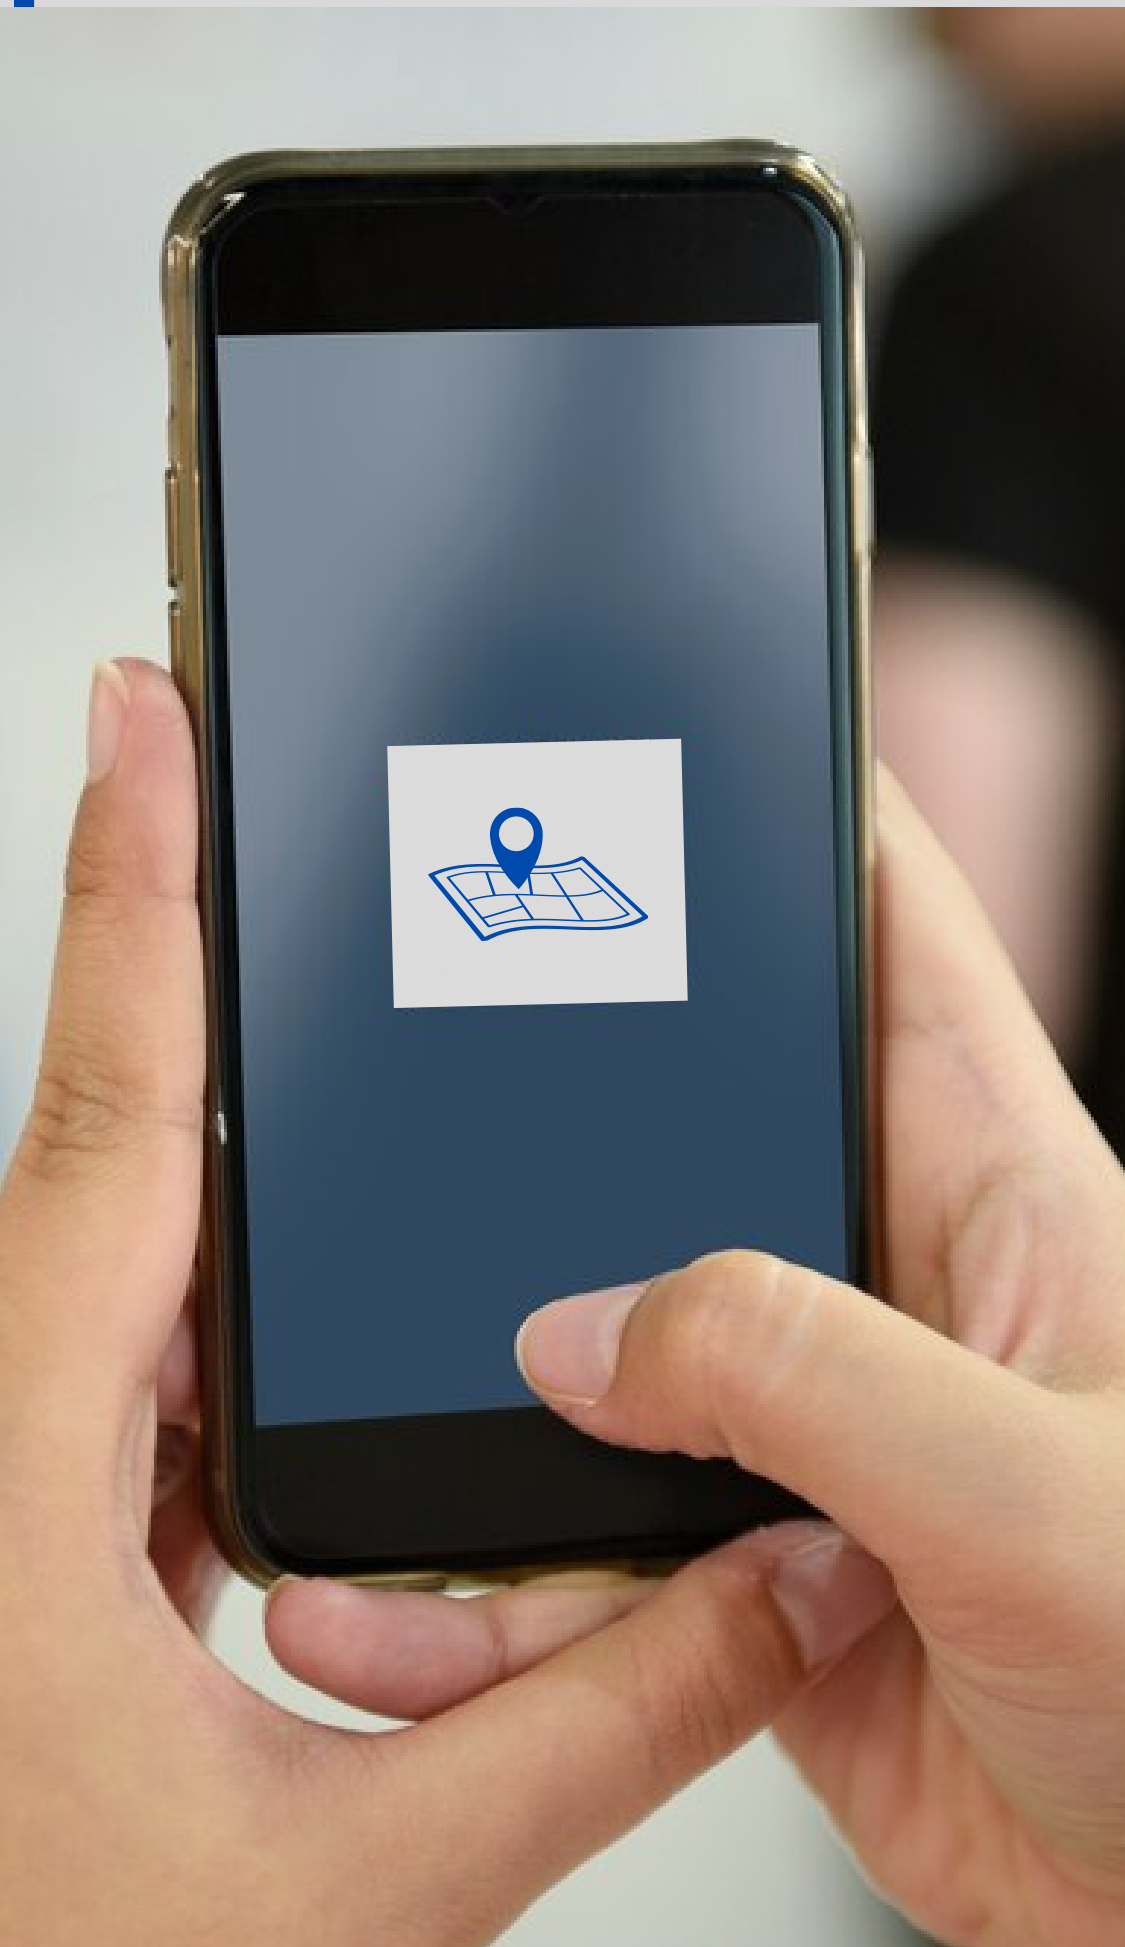

What is Tourist-Helper?

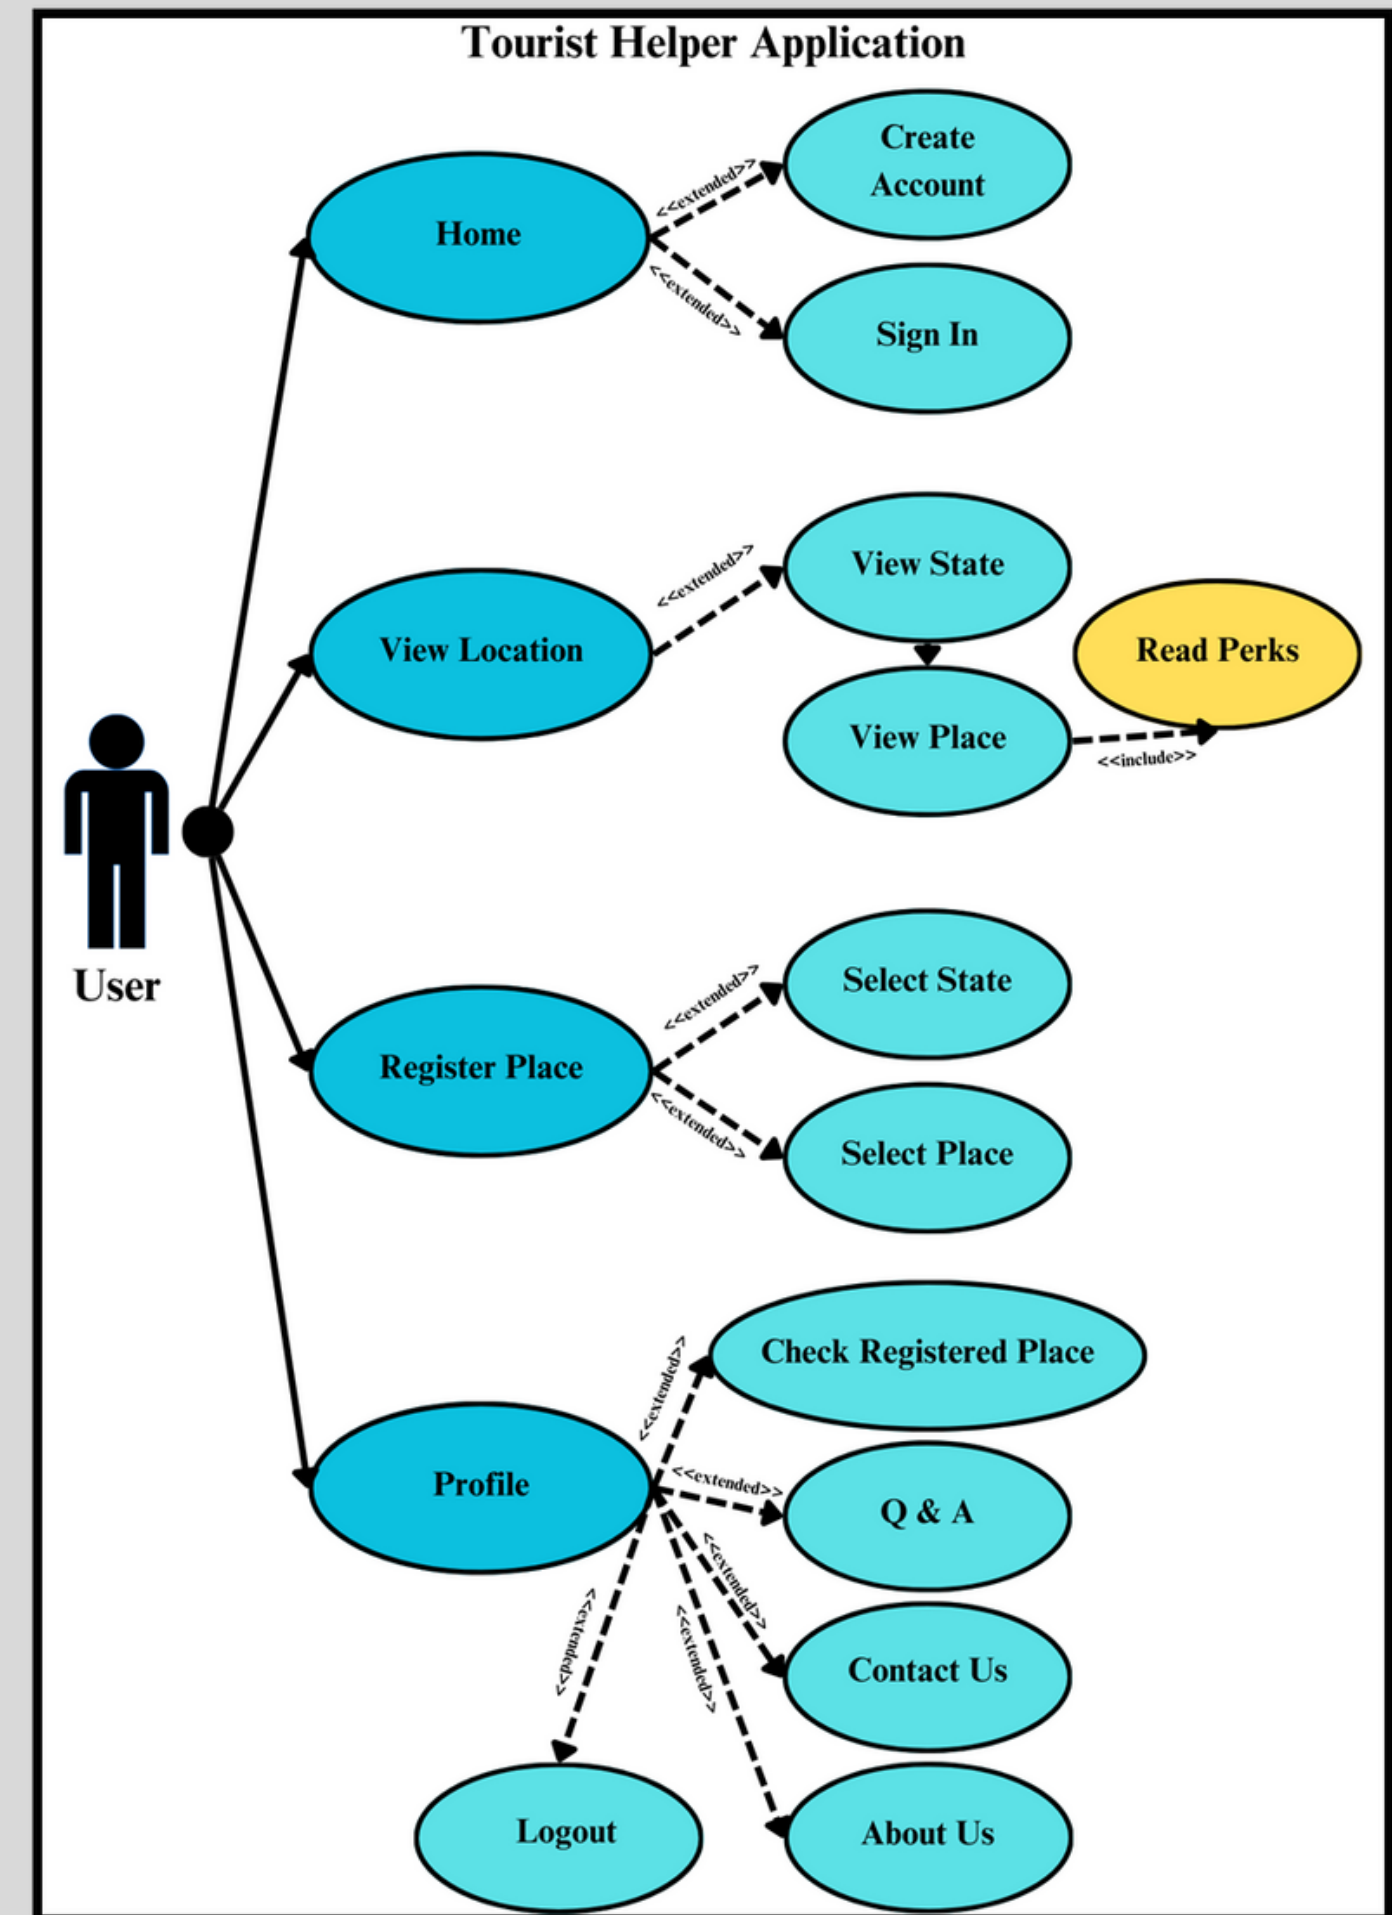

- View Location and view 'Perks' of Place they want to have a tour.
- Tourist can gain benefit from this app when they register.
- Rate and give feedback of the place based on experience and 'Perks'.

*

Based on own idea as a Tourist

Thank You

Thanks to myself for slightly spent a youth-time to create Tourist Helper Application
